Overall comment

Overall comment

Current size in operation (366914 ha) does not refer to one single deal, but to the total area of plantations of Golden Agri Resources in Indonesia. Case needs to be split up. See the investor's annual report 2014 (http://www.goldenagri.com.sg/pdfs/Annual%20Report/GAR_AR_2014), which gives details about primaries (pp. 128-141) that can be used for further research and the differentiation of single projects.
