Comment on in country processing of produce

Yes

oil factory : extraction of palm oil with a capacity of 15 tons/hour granulated rubber factory : capacity of 1 ton/hour

Overall Comment

Overall comment

Overall comment

Most of the plantations were owned by the conglomerate Société Générale de Belgique, which sold off all its plantations in the 1980's, when Suez took over, to the Blattner Group (Agricom, SCAM, Busira-Lomami, Société de Cultures au Congo (Binga), GAP, etc.).
