Consultation of local community

Community consultation
Comment on consultation of local community

Limited consultation
documents concerning the SABL seem to be flawed: land owners didn't understand the

agreement and some signatories were small children or men - since the respective society is matrilineal and land belongs to women, the latter are no lawful signatories

How did the community react?

Community reaction

Mixed reaction

Former use

Former land owner (not by constitution)

Former land owner

Produce info

Detailed crop, animal and mineral information

Crops area

Oil Palm, Trees (unspecified)

Gender-related info

Any gender-specific information about the investment and its impacts

Comment on gender-related info

the affected communities are matrilineal societies, i.e. land belongs to women. The latter were threatened when they claimed the land
