## Produce info

### Use of produce

- Has domestic use: Yes
- Has export: Yes

### Water

#### Water extraction envisaged

- Water extraction envisaged: Yes

#### Source of water extraction

- Source of water extraction: Groundwater

#### How much water is extracted?

- Comment on how much water is extracted:
  
  "pumped water from the aquifer under its property so aggressively that it ran every well in the area dry, including those servicing neighboring villages. Instead of being punished, the business entered into talks with the government to extract water directly from the Nile."

### Overall comment

- Overall comment: The total value of the project would be more than 500 million Euros.
