Agronoble (#35416)

Borges-Chile SA is a chilean corporation formed by Aceites Borges SA and Agronoble SA (chilean subsidiary of the spanish Olivo Noble SA-.

Agronoble is responsible of the agricultural and industrial part of the project, and Borges-Chile SA is responsible of the commercial part.

Aceites Borges, world leader in this business, is the strong part of the "project", with the aim to buy all the olives of the region, and to conquest the latin american market. Borges Pont Group sell its products in 70 countries and manage 150 000 ha of diversified plantations.

Overall comment

Import of error check - Reviewer's overview comment: The land impact doesn't seem so large, but we have to convert an area of tree plantations into an agricultural area to estimate it. 600 ha of olive trees may be equivalent to a livestock big estate. In this case, the stronger part of the contract, spanish Borges, brings the commercial capital, not the land.
