TOLEDO SOLAR POWER PLANT 🌞🌞🌞

- 🌞 First Toledo Solar Energy Corporation (FTSEC) operates a 60MW solar power plant in Talavera Toledo City, Cebu.
- 🌞 The 73 hectare facility has 193,440 photovoltaic modules.
- 🌞 It can energize between 46,000 to 48,000 average households.
- 🌞 FTSEC is a subsidiary of Citicore Power Inc, a sister company of Megawide Construction Corporation.
- 🌞 Clean, renewable energy should be the way to go for Cebu to reduce carbon emission.
