**NANGA BULIK** - The oil palm plantation company PT Nirmala Agro Lestari (NAL) is committed to supporting the advancement of the world of education in the regions, by supporting scholarship programs for students, especially those around the PT NAL plantation area. As a form of concern in the field of education, this is proven by providing scholarship programs on a regular basis every year.

Even though it is in difficult times due to the Covid-19 pandemic, PT NAL, which is a subsidiary of PT Astra Agro Cerdas (A2C), is committed to helping the government improve its human resources by continuing to increase the number of recipients of scholarship program assistance.

PT NAL CDO, Hidayatusyaban said that this scholarship assistance is the Astra Agro Cerdas program or A2C. This program is related to the "Public Contribution" of PT Astra Agro Lestari, in this case PT Nirmala Agro Lestari (NAL). "Achievement scholarship assistance is an awarding for students who have good achievements in both academic and non-academic fields. This program aims to spur enthusiasm for achievement and foster enthusiasm for learning for students and support Lamandau Regency to become Champion Lamandau," said CDO of PT NAL Hidayatusyaban, Sunday (20/9).

Hidayatusyaban explained, even though 2020 is a difficult time for all education personnel, both teachers, students and related agencies due to the Covid-19 pandemic, PT NAL is trying to fulfill its responsibility so that high-achieving students around the company can receive scholarship assistance despite activities studying is only done at home. "Because we know that amidst the current difficult economic conditions, of course students need help to meet their learning needs, that's why PT NAL is here to ease the burden on students during this pandemic," he explained.

He added, in 2019 the awarding of this scholarship was held at 6 Bulik SMPN in Nanga Pamelontian Village with 73 recipients. Meanwhile, in 2020, the submission of scholarships will be centered at SMPN 5 Bulik, in Beruta I Village, with 82 scholarship recipients, an increase of 13 percent from the previous year.

The activity which was also attended by the Head of the Lamandau Regency Education and Culture Office H Abdul Kohar, the principal of the ring 1 school of PT NAL, the Management of PT NAL, as well as parents and students who were awarded achievement scholarships were held on a limited basis with a strict covid protocol.

Meanwhile, Head of the Education and Culture Office of Lamandau Regency, H. Abdul Kohar, in his remarks expressed his appreciation to the PT NAL company for their concern for the schools around PT NAL. His party, representing the local government, hopes that this assistance can trigger and increase positive competition to increase students, especially in

Lamandau Regency.

The administrator of PT NAL Miin Ahadi confirmed the role and function of PT NAL in making a "public contribution" with one goal, namely Astra Agro Lestari to advance with the nation. This is stated in the 4 pillars of Public Contribution, namely Astra Agro Sehat (Health sector), Astra Agro Green (environmental sector), Astra Agro Creative (economy), and Astra Agro Cerdas (education sector).

"With these 4 pillars, it is hoped that it can support the life of the community around the company to progress and develop. One of the things that can be felt today is the distribution of achievement scholarships, hopefully they can be useful," said PT NAL Administrator Miin Ahadi.
