Location of the Loulo Project
 The Loulo Gold mine is located at the border with Senegal.

History of the Loulo Project
 The initial open pit mine was financed, developed and then commissioned by Randgold Resources in September 2005. The development of the underground phase is expected to be financed from internal cashflow and by Randgold. The original Gara orebody, was discovered by Syndicate d'Or in 1981 and the Yalea orebody, the principal orebody, by Randgold Resources in 1996/1997.
