TANJUNG SELOR - Various ways and attitudes of community members show support for the Candidates for Governor (Cagub) and Candidate for Deputy Governor (Cawagub) [↔](#)

Then the second demand is that the governor can take firm action against the company to re-employ workers as recommended by the Kaltara Manpower Office, pay for the rights of the workers as recommended and pay BPJS Ketenagakerjaan and BPJS Kesehatan contributions that have never been deposited by the workers' TMK company.

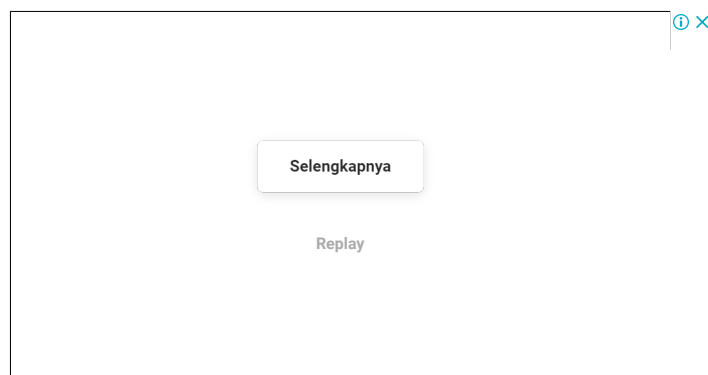

"What we are demanding for people's salaries, whereas from last year he said he had to mediate. But after running the mediation it turned out that it did not work but was asked to go to PHI," he explained.

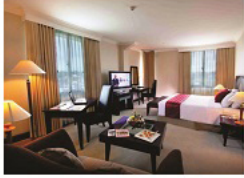

The company recommends that 155 workers be rehired from their original location. So that both parties carry out their respective obligations before a decision has permanent legal force.

"I see the government's neglect. Because the Manpower Office also never conducts supervision," he explained.

From the letter held by FKUI KSBSI Bulungan, the demonstration will last for 4 days, namely Monday 20 July to Thursday 24 July 2020. It's just that for the unras, these workers have not met the Governor of Kaltara.

"So we will last for 4 days in Tanjung Selor, if the place can be in this Agatis field or other places," he said.
