

ABOUT AMTAAR

Innovation through inspiration!

Amtaar investment is a Joint Venture company registered in the Republic of Sudan between Jenaan Investment LLC, a privately owned company based in the United Arab Emirates, and the Sudanese government.

The company has its head office in Khartoum and a farm in the Northern State near the town of Al Dabbah.

Water supply currently comes from the Nubian aquifer, the largest underground water source in the world, and now the company is on the process to trench a water canal from the Nile, to provide an abundant supply of water for the expansion phases of the projec
