Asian Greenenergy Corp. recently broke ground for the 10-megawatt solar power plant in Kibawe, Bukidnon. One of the largest solar farms in Northern Mindanao, the plant is set to power 10,000 homes once it is completed by December this year. Shown during the groundbreaking ceremony are (from left) First Bukidnon Electric Cooperative Inc. board member Felix Vergara, Fibeco president Regin Mordeno, Bukidnon provincial board member Clive Quino, Soleq chief technology officer Michael Vukelic, Equis Funds Group director Craig Marsh, AGEC president Juan Miguel Zubiri and Kibawe Mayor Bing Bing Casinabe.
