Reconciliation	(1,519)	(1,750)	15%
Total	5,332	3,455	(35%)

TRADE MARKS

Shchedry Dar – the national brand is one of the three leaders in the market for sunflower oil in Ukraine.

Produced by two unique technologies: cold refining (the oil is not subject to multiple heating and cooling, preserving its original structure) and first pressing (for the production of oil, only the whole seed core is used, from which only the first, most biologically valuable oil is selected for a low temperature pressing).

CHUMAK Sunflower Oil – the premium-oil with the traditional Ukrainian flavour, is produced exclusively from the best Ukrainian sunflower varieties.

The assortment ranges from CHUMAKZolota refined oil to CHUMAK Homemade unrefined oil with a traditional Ukrainian flavour of fried seeds.

STOZHAR – a brand specially valued by a modern housewife

Thanks to the technology of deep cleaning Soft Column, the refined STOZHAR oil has universal uses – frying, dressing, sauces, and baking.

STOZHAR Chef Oil is ideal for your culinary masterpieces!

The product line of QLIO [trade mark sign] includes extra virgin oil and olives – the best Spanish raw materials. A careful gathering of olives prevents the damage and oxidation of the fruits before the pressing cycle, using modern European production technologies. Consistent with other high-quality European products, these items are competitively and affordably priced.

MARINADO – the national brand is one of the five leaders in the category of “vegetable preservation”. For more than ten years, the best samples of this category of Ukrainian and European production have been selected and produced under the brand name «MARINADO». The brand successfully implements[performs] the task of creating and presenting an assortment of exclusively high-quality products, confirmed by the corresponding certificates of IFS, ISO 22000, BRC BODY, etc. MARINADO offers over 30 types of products from various product groups: vegetable preservations and natural sauces (horseradish, mustard, tomato paste) that will satisfy the needs of the most demanding gourmets for any event.

KERNEL is the world’s No. 1 sunflower oil producer. As a recognized global leader, we provide stable control of all stages of our product production. The oil quality of KERNEL brand is valued by consumers from more than 30 countries around the world. We are leaders, we are proud of it and do our best to make cooking a real holiday in every kitchen where there is a bottle of KERNEL!

In the most refined kitchens of the world there is always an elegant bottle of Le Blanc sunflower oil. It is so clean that it’s next to impossible to taste it, even for the most sophisticated palates. It is so transparent that it’s sometimes difficult to see it on a smooth surface; so perfect that you want to cook with it more and more. The oil has been referred to as «The Refined Perfection».
