First Shipment from Port of Buchanan

Equatorial Palm Oil plc (AIM: PAL), the AIM listed palm oil development and production company with operations in Liberia, West Africa, confirms the first export shipment of crude palm oil ("CPO") from the port of Buchanan.

On 20 August 2019, the Company announced that one of the customers of its operating subsidiary (Libinc Oil Palm Inc.) at Palm Bay estate had confirmed the purchase of 2,700 MT of CPO, which was to be collected by parcel tanker ship from the port of Buchanan.

The Company is pleased to confirm that this shipment has now taken place and that the CPO was shipped to Doula in Cameroon.
