

# Gujarat State Fertilizers and Chemicals

Coordinates: 22.3745°N 73.1555°E

**Gujarat State Fertilizers & Chemicals Limited (GSFC)** is an Indian chemicals and fertilizers manufacturer, owned by the Government of Gujarat. GSFC was founded in 1962 and has its headquarters in Vadodara on the Ahmedabad Vadodara Expressway.<sup>[3]</sup> As of fiscal year 2021–22, fertilizers such as diammonium phosphate, ammonium sulfate and urea generated over 60% of the company's revenue, while industrial products including caprolactam, nylon 6, melamine and MEK oxime contributed the remaining share.<sup>[4]</sup>

Oil and gas discovered in Bombay High and South Basin triggered the birth of 8 new generation fertilizer plants to fulfill the growing food needs of India. In 1976, it set up a plant in Bharuch which trades as Gujarat Narmada Valley Fertilisers & Chemicals, as a subsidiary of GSFC.

In 2012, GSFC incorporated a wholly-owned subsidiary called GSFC AgroTech Limited (GATL).<sup>[5]</sup>
