TAN MAI GROUP

Tan Mai Group Joint Stock Company, formerly known as Vietnam Paper Industry Company (COGIVINA), was established on October 14, 1958 and transferred to a shareholding company in early 2006, this has contributed to the expansion of the new product categories as well as improving service quality to serve a wide range of customers, because product quality and service delivery are getting better and better.

Tan Mai Group is the only newsprint manufacturer in Vietnam, especially becoming one of the two largest paper production units in the country after Binh An Paper Company merged with Tan Mai Paper and merged with Tan Mai Paper Company. Dong Nai Paper Joint Stock Company in 2008. With the experience, available capacity, creativity and dedication of the officers and employees, Tan Mai Group Joint Stock Company is determined to strive to expand the market. and increase product competitiveness.

Tan Mai Group Joint Stock Company is looking forward to receiving the support and cooperation of domestic and foreign customers as well as foreign suppliers. Sincerely thank the favor of customers and suppliers for Tan Mai Group Joint Stock Company in the past time and hope to be the driving force for Tan Mai Group Joint Stock Company to succeed and develop.
