

## Quantum Solar Park, Malaysia, 197 MW

In operation

The 197 MW Quantum Solar Park in Malaysia was Scatec's first large scale solar project in South East Asia. The company partnered with a local ItraMAS-led consortium for the Quantum project in December 2016 and started project construction in 2017. Quantum's three solar power plants started commercial operations in December 2018, May 2019 and July 2019 respectively. The project holds a 21-year PPA with Tenaga Nasional Berhad (TNB). The equity partner is Quantum Solar Park Malaysia, and lenders are CIMB and Maybank as Joint Lead Arrangers of the Sukuk Green Bond.
