Monsoon Wind Power Project: Environmental and Social Impact Assessment

Environment and Social Impact Assessments | March 2023

SHARE THIS PAGE

Download(Free : 8 available)

Environmental and social impact assessments examine the social and environmental consequences of a project prior to execution and provide information to decision makers and the public about the environmental implications of proposed actions before decisions are made.

This document dated March 2023 is provided for the ADB project 55205-001 in the Lao People's Democratic Republic.
