

Construction of Becamex - Binh Phuoc industrial and urban complexFont size:  25/09/2015[Increase contrast](#)[Reduce contrast](#)

BEGIC - In mid-September, Binh Phuoc province People's Committee held the groundbreaking ceremony of Becamex - Binh Phuoc industrial and urban complex. The project was invested by Becamex IDC in collaboration with Song Be Rubber Limited Company and Becamex Binh Phuoc Infrastructure Development JSC.

Participants of the ceremony were: Mr. Le Kha Phieu, former General Secretary of Central Committee of Vietnam Communist Party; Mr. Nguyen Minh Triet, former Politburo Member - former President; Mr. Mai The Trung, Member of Party Central Committee, Secretary of Binh Duong province Party Committee; and leaders of provincial Party Committee, People's Council, People's Committee, Vietnam Fatherland Front Committee of Binh Duong and Binh Phuoc province.

Leaders of provincial Party, People's Committee took part in the ceremony

The project was constructed on an area of 4633.28 hectares in Chon Thanh town, Chon Thanh district, Binh Phuoc province with total investment of VND20.000 billion. The project had 220 kV electricity line, was adjacent to Phuoc Hoa reservoir, which were advantages to production needs of businesses, namely: building electricity transformer stations, having an abundant surface water resource, connecting with seaports, international airports to become a center for good exchange between Highlands and Mekong Delta...

Expectedly, the project will create stable jobs for about 200,000 labors, promote rapid transfer of Binh Phuoc province economic structure towards industrialization-service-agriculture, making Binh Phuoc province become a modern industrialized province till 2020.

The groundbreaking ceremony of Becamex - Binh Phuoc industrial and urban complex
