

Nusantara Plantation XIII

PT Perkebunan Nusantara XIII or commonly abbreviated as **PTPN XIII** , is a subsidiary of PTPN III engaged in the plantation sector. PTPN XIII manages an oil palm nucleus area of 55,440.49 ha (48.91%), and plasma of 57,908.60 ha (51.09%), supported by 9 Palm Oil Mills (PMS) with a capacity of 440 tons Tbs/hour and 2 Biodiesel Processing Units (UPB) with a capacity of 6,000 liters per day. PTPN XIII also manages a rubber nucleus plantation covering an area of 14,487.46 ha (32.86%), and a plasma area of 29,595.04 ha (67.14%), supported by 2 Rubber Processing Factories (PKR) with a capacity of 63 tons/KK/day , and 1 Rubber Sheet Factory with a capacity of 10 tons/KK/day.

History

The company was founded in 1996 as a result of the merger of the assets of PTP VI , PTP VII , PTP XII , PTP XIII , PTP XVIII , PTP XXIV-XXV , PTP XXVI , and PTP XXIX which are located in Kalimantan .^[2] PTPN XIII has a number of work units spread across four provinces in Kalimantan, namely West Kalimantan, South Kalimantan, Central Kalimantan and East Kalimantan.

In 2014, the Government of Indonesia officially handed over the majority of the company's shares to PTPN III , as part of an effort to establish a BUMN holding in the plantation sector.^[3]

Location

PTPN XIII's head office is located in Pontianak, West Kalimantan, with its business units divided into three inspectorates as follows:^[4]
