---

## Description

The project is developed and owned by Energy Absolute Public. The company has a stake of 100%.

Phitsanulok-EA Solar PV Park is a ground-mounted solar project which is spread over an area of 732 acres.

The project generates 129,053MWh of electricity.

## Development status

The project construction commenced in 2014 and subsequently entered into commercial operation in April 2016.

## Power purchase agreement

The power generated from the project is sold to Electricity Generating Authority of Thailand under a

power purchase agreement for a period of 10 years from 2016. The contracted capacity is 90MW.
