Memorandum from the Parliamentary Office

National Assembly Question: 2962

Mr M M Dlamini (EFF) to ask the Minister of Energy:

- a) (i) Who are the equity shareholders for each Independent Power Producer (IPP) project signed in each of the bid windows of the IPP programme and (ii) what percentage is owned by each equity shareholder;
- b) How are the debt providers by percentage for each IPP project signed in each of the bid windows of the IPP programme; and
- c) who were the legal advisers for each IPP project signed in each of the bid windows of the IPP programme? NW3274E

Reply

- a) i) A list of all equity shareholders of the Sellers across all of the Renewable IPP Procurement Programme (REIPPPP) bid windows is provided in Table 1 below. Neither the Department nor the IPP Office is involved in the selection of participating shareholders, BEE or otherwise. It is important to note that Developers and/or Shareholders select BEE companies based on a stringent criterion. These Companies are further approved by the Project funders by following their own governance and investment approval processes.
- ii) Information about shareholding (in the form of an extract from the share register of the company) can be obtained by making a request at the registered office of a private company. Details of the registered office are available through the Companies and Intellectual Property Commission (CIPC).

- c) The Department is not involved in the appointment of legal advisers for the different projects and as such does not have the information available. The IPP Office/Department does however appoint its own legal advisers to advise on programme and project issues throughout the life cycle of a programme from design, preparation to implementation.

During the design, preparation and evaluation phases for the procurement of the Renewable IPP Programme Bid Windows 1 to 4 (therefore between 2011 and 2016), the Department and IPP Office was advised by an appointed panel of Legal Transaction Advisors, as follows:

Legal firm	South African / International	Bid Window/s advised on	No of black advisors (%)
Bowman Gilfillan	South African	BW 1, 2,3,3.5 and 4	55%
Edward Nathan Sullivan	South African	BW 1, 2,3,3.5 and 4	44%
Ledwaba Mazwai (Including Mkhabela Huntley Adekeye Attorneys)	South African	BW 1, 2,3,3.5 and 4	100%
Webber Wentzel	South African	BW 1, 2,3,3.5 and 4	36%
Linklaters	International Review Function	BW 1,2,3 and 4	N/A

On average the BEE representation across all four legal firms increased from 44% in BW 1 to an average of 60% in BW 4. Both ENS and Webber Wentzel have a level 2 B-BBBEE Contributor Status and Bowman Gilfillan a Level 3 B-BBBEE Contributor Status.

It is of importance to note that the Department and IPP Office has since initiated a procurement process and appointed a new panel of Transaction Advisors in 2017. This panel include a multi-disciplinary set of advisers including Legal Advisors. The panel also includes a multi-disciplinary panel of Emerging Contractors, which include 8 Emerging Black Legal Firms.

All future REIPPPP design and procurement work will be submitted through the new Transaction Advisor Panel.
