

Sugar is an indispensable and essential commodity in our daily lives. The industry has seen several phases of rapid growth in India and SEFTECH and its associate companies have been a major provider of modern plants meeting the highest quality standards. With a strong track record, in the execution of sugar projects on a turnkey basis, SEFTECH is now one of the leading suppliers of sugar plants and machinery on a turnkey basis in India and abroad. The most recent example is the successful execution of a 1250 TCD Sugar plant with Co-Generation facilities, which was inaugurated by the Hon'ble President of the Republic of Ghana in May, 2016.

In the last 3 decades, Seftech's involvement can be seen in the execution of 21 Sugar Plants of various capacities in India & Africa.
