Estates & assets **Nigeria**

In Nigeria, Siat holds 60% of the share capital of Presco Plc, a company listed on the Lagos Stock Exchange. Presco is a fully integrated oil palm venture of 23,600 ha of industrial oil palm plantation, an oil mill, a palm kernel crushing plant and a refinery/fractionation plant.

In addition, Siat also holds 100% of Siat Nigeria Limited (SNL). In 2011, SNL acquired from the Rivers State Government the assets of Risonpalm, which comprise a concession of 16,000 hectares of oil palm plantations, including the entire social and industrial infrastructures of the complex. To complete the full integration of all oil palm activities in Nigeria, PRESCO recently acquired 100% of the shares of Siat Nigeria Limited.

Estates & assets Ivory

<https://www.siat-group.com/>

In Côte d'Ivoire, Siat holds 100% of Compagnie Hévéicole de Cavally (CHC). CHC runs a rubber plantation of 5,500 ha on a total concession of 7,700 ha. The company also operates an independent smallholders scheme with about 1,200 registered farmers cultivating a total of 13,500 ha of rubber smallholdings. A rubber processing factory is installed and functional within the premises of the plantation with a capacity of 50,000 t/a of crumb rubber. The estate is located in the well-established rubber growing zone near the Ivorian border with Liberia, 27 km from Zagné, in the prefecture of Guiglo in the region of Moyen Cavally.
