BELGRADE - Minister of Mining and Energy Zorana Mihajlovic said today that there will be no changes in the price of electricity for households until the end of the heating season, ie until March.

Speaking on TV Tanjug, Mihajlović said that this was the most common question that the Ministry received from the citizens and reiterated that the decision of the state that the price for households remains the same.

## **MK Group awarded for food donation in 2021.**

MK Group and its members have won awards for donating food to the most vulnerable, contributing to the fight against poverty and achieving the Sustainable Development Goals in 2021, awarded by the Forum for Responsible Business and the Coalition for Charity.

Flora, Sunoko and Agrounia, members of the MK Group, donated their products as part of the "Save Food" initiative and the National Giving Day, which this year is dedicated to collecting food for the most endangered, the Group said.
