With regards to the 25-year experience of consulting about designing, producing, constructing and installing interior and exterior furniture, our products have modern design features, vary in materials and colors, and carry unique styles which are suitable for each type of space. This opens a wide range of choices to our customers, and they can delightedly develop their creativity. Moreover, TTF is proud to be one of the manufacturers always satisfying even the most fastidious customers in both domestic and foreign markets. With the motto of “For the immortal green of Mother Earth”, TTF has been successful in using the natural wood source and investing in planting production forests simultaneously to preserve the forest resources and

the environment. Up to now, TTF has had 50.000 hectares of forestland and more than 14.000 hectares of forests which are ready to be exploited. Currently, our corporations have the largest area for forestation in
