IMPACT

GIIRS rated & Member of GIIN

(http://b...

Annona is committed to contribute to a better world; to create substantial social/economic impact to all the stakeholders in the supply chain. Therefore, our portfolio is measured in terms of social impact by GIIRS. Since our whole portfolio is assessed Annona itself is GIIRS rated

(https://thegin.org/)

Annona is also a member of the GIIN; the global impact investment network of investors. Investors who share this same ambition. We truly believe that it's possible to have a reasonable economic return and create a better world through innovative business models.

Annona was honored in 2017 as one of the 50 Best for the World Funds, which includes investment funds that have completed the rigorous GIIRS Rating, a third-party verification of the fund's investment impact administered by the independent nonprofit B Lab.
