Nibulon became the special sponsor of the V Ukrainian Grain Congress

Nibulon LLC, one of the largest domestic agricultural producers and exporters, became the special sponsor of the V Ukrainian Grain Congress.

To date, the company developed its structure up to 43 divisions in 12 regions of Ukraine, and continues effectively cultivating of crops throughout more than 81 thousand ha of rented agricultural lands. Except cultivation and exports of agricultural products, one of the key priorities of the company Nibulon is development of the grain market infrastructure by building of the new elevator capacities on the Dnieper and Southern Bug, and forming of its own cargo fleet for grain transporting. It allows to the company to control the entire supply chain of agricultural products from the producer to the final consumer in the world.

Within frames of the Second round of the V Ukrainian Grain Congress, at the terminal Pereyaslavsky of Nibulon LLC there will be held the roundtable discussion on development of the river grain logistics. The list of speakers includes Oleksiy Vadatursky, General Director of Nibulon LLC, Vladimir Klimenko, President of Ukrainian Grain Association, Yuri Skichko, Director of Hermes-Trading LLC, and Artem Skorobogatov, Associated partner of Interlegal.

You can meet with representatives of the company Nibulon LLC, and visit the roundtable discussion by filling the application form for participation at the V Ukrainian Grain Congress.
