

**About Barrick**

Our vision is the generation of wealth through responsible mining —wealth for our owners, our people, and the countries and communities with which we partner. Founded in 1983 and headquartered in Toronto, Canada, Barrick has 11,000 employees, with mining operations and projects in 10 countries.

**LEARN MORE ABOUT US** 

**Operations**

Our portfolio is primarily focused on high-margin, long-life gold operations and projects clustered in core districts throughout the Americas, supported by a robust copper business.

**READ MORE** 

**Investors**

Our objective is to grow free cash flow per share from a portfolio of high-quality gold and copper assets, through disciplined capital allocation, and operational excellence.

**READ MORE** 

**Sustainability**

At Barrick, we partner with host governments and communities to transform their natural resources into sustainable benefits and mutual prosperity.
