Bau Bang Residential And Industrial Park

INTRODUCTION

Located at Lai Hung and Lai Uyen Communes of Ben Cat District- Binh Duong Province, Bau Bang Urban Area and Industrial Park has an area of more than 2,000 ha, of which about 1,000 ha is used for industrial development and about 1,000 for service and urban residential development. Bau Bang urban area and industrial park possesses a convenient transport location which is located nearby National Highway No. 13 - the important trading gateway between the South-

Eastern Region and the Central Highland.

With the rich experiences obtained from successfully establishing VSIP and My Phuoc Industrial Park, Becamex IDC has planned and constructed Bau Bang urban area and industrial park with its outstanding advantages. It is currently the hot spot of attracting domestic and foreign investment based on its strengths and advantages. Many important projects from Japan, Korea,... and other nations and territories have been licensed and are being deployed here.

Paralleled with industrial development, Bau Bang Urban and Service Area has gained investors' attention due to its modern, comfortable architecture which goes well with the regional landscapes, creating a beautiful and unique architecture. The frontage of main road of 62-meter wide and 4-meter wide pavements are only 100 meters away from Binh Duong Boulevard (National Highway 13). The conformity, convenience and cleanness have created a pleasant life here, as well as favorable conditions for business activities.
