Fibres from nature

ADITYA BIRLA GROUP

(http://www.adityabirla.com/home)

From Plantatic  
to Fibre to Lifestyle

HOME (INDEX.PHP) ABOUT US (ABOUT-US.PHP) OUR PRODUCTS R&D (NON-WOVEN-RESEARCH.PHP)

Our journey began in the 1940s, when the Aditya Birla Group foresaw the limitations of cotton and polyester.

Today we have taken the textile world by storm, emerging as the largest producers of Viscose Staple Fibre (MMF) in the world.
