#### Mopani Copper Mines Plc Key Developments

### Mopani Copper Mines Plans to Cut More Than 3,800 Jobs

Sep 23 15

Glencore's Zambian unit Mopani Copper Mines (MCM) has notified the government that it plans to lay off more than 3,800 workers due to lower metal prices and high production costs. An electricity shortage in the southern African nation and weaker copper prices have put pressure on its mining industry, threatening output, jobs and economic growth in Africa's second-biggest producer of the metal. Mopani had initially said it planned to cut 4,300 citing lower metal prices and high production costs.
