Zeder Investments Limited ("ZEDER")

Zeder is a PSG Group Limited ("PSG") established listed company investing in unlisted agricultural, beverage, food and agri-related sectors. PSG transferred its various agricultural investments to Zeder on 1 September 2006 in exchange for shares in Zeder and listed on the JSE Main Board on 1 December 2006. Zeder continues to build on the close relationships that PSG established with the management of the companies in which it invests. Through this close association with business leaders in the agri environment Zeder have gained substantial experience and knowledge of the opportunities and challenges that is characteristic of this sector.

For more information, see www.zeder.co.za

Norfund

Norfund is owned by the Ministry of Foreign Affairs and serves as an instrument in Norwegian development policy. The fund contributes to poverty reduction and economic development in the poorest countries through investments in profitable businesses and transfer of knowledge and technology. The fund always invests together with partners (Norwegian or international). The three main industries for investments are renewable energy, financial institutions and agribusiness. Norfund's geographical agribusiness focus is in East and Southern Africa, with offices in Nairobi, Johannesburg and Maputo. In addition, Norfund invests in selected countries in Asia and Latin America, with a regional office in Costa Rica. Norfund has 50 employees world-wide and some USD 1.3 billion in committed investments in 2012.

Management

Incentives drive behaviour and therefore Chayton believes that managements' interests should be in line with that of fellow shareholders. Chayton therefore encourages management shareholding.
