ENERGY
Our integrated energy investments cover the value chain from refining to energy distribution, power generation and renewables, providing solutions that helping countries ensure their energy security.

(//industries/energy)

CEMENT
Our cement and construction division includes regional cement manufacturer ASEC Cement (which currently controls an influenced cement production capacity of 5.5 MTPA) and providers of construction, engineering, and plant management services.

AGRIFOODS
Our agrifoods platforms Gozour and Wafra hold household names that produce fresh milk, dairy products, staple crops, produce and meat — all primarily for domestic consumption by consumers in each of the nations in which they operate.

TRANSPORTATION & LOGISTICS
Qalaa Holdings’ river transport investments provide affordable, reliable logistics solutions that are lowering barriers to trade.
Qalaa Holdings is a leading investment company in Africa and the Middle East. We invest in core industries that will shape the future of Egypt and Africa: energy, cement, agrifoods, transportation & logistics, and mining.

**OUR FOOTPRINT (OUR-FOOTPRINT)**

**NON-CORE PLATFORMS (INDUSTRIES/NON-CORE-COMPANIES)**

As part of its transformation, Qalaa Holdings is divesting non-core platforms over a 3+ year period. The firm will continue to invest in these non-core holdings to maximize value for shareholders and LPs alike at exit. Read Details/industries/mining.

**HOW WE APPROACH RESPONSIBLE INVESTING (SCHOLARSHIP-FOUNDATION)**

Qalaa Holdings pursues sustainable investments that reflect the view that environmental, social and corporate governance (ESG) issues have an impact.
