About us

Established in November 1959, China National Complete Plant Import & Export Corporation (Group) (COMPLANT for short), is a wholly-owned subsidiary company to State Development and Investment Corporation.

With a registered capital of RMB1.14 billion, COMPLANT owns 8 wholly-owned subsidiaries, 6 controlled subsidiaries and 2 branch companies. It controls China National Complete Plant Import and Export Corporation Ltd. (Listed on Shanghai Stock) and Hua Lien International (Holding) Company Ltd (Listed on Hongkong Stock).

Main Business: 1. International Cooperation (including China-aided foreign projects, international contracting projects, labor services, complete plant export and other related business);2. Offshore investment and lease operation in sugar sector (including extended business from Sugar Union's business); 3. Development business on international market in compliance with the development strategy of SDIC. □□

Since its establishment, as trusted by the government, COMPLANT has been organizing and implementing China-aided economic and technological projects. It has established friendly relationship with governments and industry and commerce sectors of over 100 countries and regions. Doing its business with over 50 countries and regions, COMPLANT successfully finished a great number of foreign works and complete-plant projects, winning wide acknowledgements. With its business in Togo, Benin, Sierra Leone, Madagascar and Jamaica, the offshore sugar company owns 8 invested and leased enterprises.

COMPLANT makes constant explorations and progresses. Integrating its resources and making continuous innovations, it achieves sustainable development of its main business and improves its core competitiveness. As an important international cooperation platform for SDIC, COMPLANT plays its role in implementation of SDIC's "Going Out" strategy.
