

East Renewable Energy Syvash Wind Project Ukraine

Location:	Ukraine
Project number:	50215
Business sector:	
Notice type:	Private
ESIA disclosed:	16 Jul 2018
Status:	Repaying
Approval date:	28 Nov 2018

Project description

The provision of a senior A/B long-term loan of up to EUR 150 million to SyvashEnergoPro LLC (the “Borrower”) to finance the construction and operation of a wind farm with an initial capacity of 125 MW (phase one) and the potential to be expanded to 250 MW (phases one and two) located in Southern Ukraine (the “Project”). The Borrower is a special purpose company incorporated in Ukraine and created to own, construct and operate the wind farm. The Borrower is owned by East Renewable Energy AB which is majority owned by NBT AS (the “Sponsor”).

The Project will help support the development of renewable energy in Ukraine and the overall decarbonisation of the energy sector.
