Notification No.1022 on the results of the inter-ministerial committee's meeting for assessment, measurement and evaluation of ELCs dated on 31 August 2015 (2015-09-10)	Based on the results of the inter-ministerial committee meeting for assessment, measurement and evaluation of the economic land concessions (ELCs) dated on 31 August 2015, the Office of the Council of Ministers decided to permit companies to continue procedures in forces over land areas after compensation and then re-sign the contracts, and reduce the term of ELCs up to 50 years. Some ELC projects cover the land areas in Beng Per Wildlife Sanctuary.
Concession Bibliography	This bibliography provided full list of documents about studies on economic land concession, the push and full factors of myth of development in Cambodia, rural livelihood and social development issues addressed in various sources. Furthermore, legal framework: sub-decree, law, directive and policy related to land issues and social development. The documents were gathered from government ministries (ministry of Economic & Finance; Ministry of Land Management, NGOs Forum on Cambodia. In addition, several case study and general information at both regional and international on mining concession in Cambodia were also available. The above information were available at NGOs Forum on Cambodia website which compiled by the Land and Livelihoods Programme.
Concession bibliography	The concession biography is compiled by the land and livelihood program of NGO Forum on Cambodia. A list of the publications and laws extends over various issues of (economic land/mining) concessions and its impact on the people livelihood, land conflict, land grabs, and the regional trends in South East Asia.
Concession Bibliography	A webpage showing list showing report of case studies on various concessions or land related investment issues.
NGO Forum on Cambodia: List of Development Projects	The information consisted of project number with code number (EIA-001 - EIA-071); owner of project; date of EIA conducted - between 2007-2013; name of EIA; project location; list of company conducted EIA study; and name of development project with specific locations to be carried out nationwide. These are feasibility studies of various development projects at respective provinces. The projects consisted of hydro-power plant, resort & island development, and agro-industry. There were 72 companies registered and were rewarded projects where the location lied from coastal area - south west to highland region - north-east area. Interestingly, all projects had gone through EIA study by some companies - KCC, Power Engineering Consulting, CES, Green Consultancy, SAWAC Consultants for Development, Team Consulting Engineering and Management, Phanitra Development, CAS, Creative Green Design, CIS, Green Environment Group, and Cambodian Environment.
List of EIAs on September 2013	This is a list of record on the Environmental Impact Assessment (EIA) received by a local organization in Cambodia, NGO Forum, as of September 2013. The table consists of 71 EIA records and outlines the project hosting companies(some with translations in Khmer language), date of EIA, name/status of EIA, project location, EIA companies and the name of the listed project(some with translations in Khmer language).
