

[Palm Bay Estate](#)[Butaw Estate](#)[River Cess County  
Expansion Area](#)

## Our Operations

### River Cess County Expansion Area

River Cess County lies between our two Estates of Palm Bay and Butaw. The Company has signed a Memorandum of Understanding with the County, district and tribal officials to develop a minimum of 80,000 hectares of oil palms on land provided from the local communities in the area.

Tribal landowners have worked with the River Cess County representatives and administration to support EPO's development plans in the River Cess expansion area.
