

Field Visits

Field Visits

Field visits will help cap off the busy week, giving ILC members the opportunity to learn from, and give visibility to, the land and food security issues of our Senegalese counterparts. Members will be able to choose from four options:

LAND GRABBING IN DIOKOUL

WORLD BANK AGRIBUSINESS IN SENEGAL

MULTINATIONAL CORPORATIONS IN THE NDIAEL WILDLIFE RESERVE

National Organising Committee

In preparation for the Global Land Forum, ILC member, CICODEV Africa, has proactively engaged a number of national stakeholders since early 2014:

ENDA PRONAT

Our Mission

A global alliance of civil society and intergovernmental organisations working together to promote secure and equitable access to and control over land for poor women and men through advocacy, dialogue, knowledge sharing, and capacity building.

Our Vision

Secure and equitable access to and control over land reduces poverty and contributes to identity, dignity, and inclusion.
