

Gold Coast Fruits Limited

📍 GHANA 📍 FOOD AND AGRICULTURE

Gold Coast Fruits Limited (GCF) is a Ghanaian company, established in 2005, that engages in the cultivation of 'Golden Sweet' (MD2) pineapple for export to the European and Middle Eastern market. The company's plantation is in Adeiso, in the Eastern Region of Ghana which is a few kilometres outside Accra.

We are invested in Gold Coast Fruits Limited through Injaro Agricultural Capital Holdings Ltd, which is managed by Injaro Investments Ltd. [For further information on the fund, the fund manager, and the expected impact of the fund's investment, click here.](#)
