HarvEast today

HarvEast is a Ukrainian holding managing agricultural assets in Donetsk oblast and the Crimea.

Areas of activity:
- crop production (wheat, sunflower, barley, perennial grasses, maize, fodder sorghum);
- dairy farming;
- compound feed production, seed crop rearing.

HarvEast mission is to lead in agricultural production in Ukraine through experience and innovation, working as a team and being guided by the principles of transparency and responsibility towards employees and society.

Our values:
- leadership;
- responsibility;
- innovativeness;
- professionalism;
- proactivity;
- effectiveness.

Established on 10 March 2011, the Holding took control over the agricultural assets of Ilyich Steel Plant.

HarvEast Holding shareholders are SCM Group and Smart-Holding Group.
