MRS. PANY YATHOTU'S VISIT CONTINUES

» [Home page](#) » Mrs. Pany Yathotu's visit continues

Yesterday, upon receiving the President of the National Assembly of the Parliament, Lao People's Democratic Republic Mrs. **Pany Yathotu**, the Speaker of State Great Khural (Parliament) D.Demberel emphasized that Mrs. P.Yathotu's visit will attach great significance to the 50th anniversary of the establishment of the diplomatic ties between the two countries.

The President of the National Assembly said that it had been a great pleasure that her first ever visit to **Mongolia** coincided with the traditional Mongolian Festival "Tsagaan Sar" and she was delighted to have been invited to visit a herder's family.

During the meeting, along with discussing on establishing the Parliament ties and cooperating in the field of economy, agriculture and other

sectors, Mrs. P.Yathotu put forward a proposal to the Speaker to promote the private sectors of the two countries and to advance the economy, trade and investment between the two nations.

In turn, the Speaker said, "We fully support the proposals put forward. There is a huge opportunity for Mongolia and Lao People's Democratic Republic in terms of working together utilizing its own natural resources. Our Parliament fully encourages this issue which had been discussed at the 8th convention between the Government of Mongolia and the Government of Laos. We put forward a proposal to grow rice on 10 thousand hectares of land in Laos. Meanwhile, the **Mongolian Government** also has an interest in planting redwood trees in the territory on 5,000 hectares where the infrastructure is highly advanced. It is a pleasure to say that the door is wide open for you to run a farm business in Mongolia and to breed sheep and goat for meat production as well as raise horses. In terms of economy, Mongolia has much interest in growing rice."

Laos is famous for its hardness redwood (blood wood) trees. Mongolians call it a "bullet tree". The session hall of the State Great Khural was furnished with the famous redwood from Laos in 2006.

During her visit to the hall, Mrs. P.Yathotu has seen how the session hall was beautifully decorated with redwood furniture.

In the 1970s a sheep farm was set up in Laos by the Mongolians. But due to the hot weather conditions it was difficult for the animals to acclimatize.

Following the meeting with the Speaker, a delegation headed by the President of the National Assembly has called on the President of Mongolia, Ts.Elbegdorj. The Head of State said, "I am grateful that an intergovernmental commission meeting of the two countries has been restarted and a solution has been issued on collaboration issues. And I hope the respective organizations of the two sides will pay great attention with regard to implementing the operations based on this solution."

After the meeting, Mrs. P.Yathotu and the delegates were received by the Prime Minister of Mongolia, S.Batbold and the Minister of Food, **Agriculture** and Light Industry, T.Badamjunai, informed Public Relations and Communications Division of the State Great Khural.
