

Estates and Mills

The Group has 91 oil palm estates spanning across Malaysia and Indonesia with a land bank totalling 211,440 hectares, of which 173,924 have been planted with oil palm. Approximately 66% of the Group’s oil palm plantation holdings are in East Malaysia, 27% in Peninsular Malaysia and the remaining 7% in Indonesia.

The Group’s plantation produce are principally processed by its 14 palm oil mills located in Malaysia, with an annual milling capacity of approximately 4,400,000 tonnes of fresh fruit bunches (“FFB”).

In addition, the Group also owns a 30.9% stake in Bumitama Agri Ltd (“BAL”), a listed company on the Singapore Stock Exchange (“SGX”).
