SAPA (MERAUKE) - There are 10 sugar cane companies in Merauke Regency whose location permits a longer active because their time has expired. The permits of 10 companies will be revoked by the government, and they will 'leave' or not operate anymore.

Head of the Merauke Integrated Licensing and Investment Service Agency (BPMP2T), Sri Prarr Purnomo, said that the 10 companies are working on 375,050.46 hectares of land spread across a numt districts and villages.

"These 10 companies are engaged (investing) in sugar cane plantations, their location permits are no l active. So it needs to be reviewed and the permits revoked," said Sri, Saturday (4/16).
