Welcome to Kakira Sugar

Uganda's leading producer of sugar.

Kakira Sugar is extracted from cane grown on lush plantations on the shores of Lake Victoria. The sweet, sparkling crystals with their distinctive taste and flavour, and rich golden colour, have sweetened dishes all over Uganda since the 1930s!

Kakira Sugar - there is nothing sweeter!

Kakira at a glance
Sweetening Uganda since 1930!

- Part of the Madhvani Group of Companies.
- Providing a livelihood directly and indirectly for over 100,000 individuals.
- Crushing over 6,000 tons of cane per day.
- Producing more than 150,000 tons of sugar each year, with 10.5 months continuous operation.
- Employing over 7,500 persons.
- 10,000 ha of land under cane on own nucleus estate.
- Over 7,000 outgrower farmers supplying sugar cane.
- Just completed major expansion program - increasing outgrowers land under cane to 19,000 ha.
- Social infrastructure includes staff housing, electrical distribution systems, roads, a 75 bed hospital and 12 schools for employees’ children.
- Generating 22 MW of electric power on 24 hours/day basis - of which 12MW is supplied to Uganda’s national grid.
Muljibhai Prabhudas Madhvani, MBE
(18th May 1894 - 11th 1958)

A tribute to celebrate the life and achievements of the Founder of the Madhvani Group

Five decades after his death, his legacy and philanthropy in Uganda still live on.
