FARM STATISTICS

Kaweri Coffee Plantation occupies a total area of 2510 hectares, of which 1802 ha have been planted with Uganda Robusta coffee and 552ha, or 22%, remain as natural, indigenous tropical rainforest. The remaining 152 ha are occupied by roads, housing, processing and natural papyrus swamps.

The farm is divided into 5 main sections for management purposes:

- Nonve:** 342ha of planted coffee
- Luwunga:** 354ha of planted coffee
- Kitagweta:** 348ha of planted coffee
- Kitemba:** 312ha of planted coffee
- Kyamutuma:** 344ha of planted coffee
