### Inauguration of white Nile Sugar

KSC is the biggest share holder to WNSC with a share of 30%. Extending the long inheritance of experience in sugar production; WNSC will be the biggest sugar producer in Africa with an annual capacity of 450,000 tons of sugar.

WNSC will play a vital role in the national economy by;

- ▶ Focusing in investment in renewable energy, ethanol and animal feed as by- products.
- ▶ Investing in produced farm, livestock breeding and milking farms.
- ▶ Investing in cash crops production like Sunflower Seeds, Sesame, Maize ...etc.
- ▶ Developing, settling and capacity building to the locals by securing jobs.
- ▶ Advancement of Sugar industry, Cover the local market and competing in the international market.
- ▶ Contribution to The provision of foreign currency in the country.
