### Philgate Flowers

- Philgate Limited was incorporated in 2002 with a mission is to supply quality fresh cut flowers that change lives! We are based in Nairobi, Kenya's capital.
- Kenya is home to the beauty of vast wildlife, flora and fauna and our offices are only 10km from Kenyatta International Airport, home of state of the art flower handling facilities.

### Kenya Flower Council

- Kenya Flower Council (KFC) is a voluntary association of independent growers and exporters of cut-flowers and ornamentals, formed in 1996, with the aim of fostering responsible and safe production of cut flowers in Kenya with due consideration of workers welfare and protection of the environment.
- Against this background the KFC has become a common platform for industry representation, promotion and compliance to pertinent local and international standards, deemed necessary to

secure markets.

- KFC administers compliance through an internationally accredited KFC Code of Practice (CoP) on good agricultural practice, sustainability, social accountability, hygiene health and safety, capacity building, environmental protection and conservation, adherence to which is the backbone of all KFC activities.

### Prima Rosa Flowers

- Primarosa Flowers was formed in 2003 with a takeover of Prima Rosa Farms starting as a 100 hectares site which now spreads over an area of 150 hectares with two state-of-the art raised farms. As a member of several international certified bodies, the company has a highly skilled team of 1600members. Primarosa is regarded as an employer that cares for its team and provides a good working environment.
- The company places quality, reliability and customer loyalty amongst its main priorities. The company is committed to protection of the natural environment, safe production of cut flowers and promotion of a safe working environment for employees.

### Eagle-Link Flowers

- Established in 2007; Eagle-Link Flowers Company and since then has achieved a steady growth both in terms of size and profitability. Eagle-Link Flowers Company has been in business operating on one simple principle: provide each customer with high quality flowers and personalized approach service. As a result we enjoy a reputation as one of the best fresh cut flower supplier and source of World Best Roses to our overseas markets
- We guarantee the stability of supply and variety of our flowers to satisfy the most refined taste of the buyer. We also ensure provide flowers for our customers all year round

### Sian Roses Group

- Sian Roses is the leading Kenyan producer of high quality Roses and Zantedeschia Calla Lilies. The group of three flower farms, all located in Kenya, produces a wide variety of cut flowers, both roses and calla lilies of the highest quality.
- Sian Roses is proud to be Fairtrade Certified. We pay great attention to the welfare of our workers, and are involved in a number of CSR projects in our community.

### Oserian Flower Farm

- The possibilities yielded by this rich, fertile land brought about the birth of Oserian flowers. It began as a family owned vegetable growing farm in 1969, with a 5 hectare production area and 6 employees. It gradually evolved into the first cut flower production farm in 1982, under the skillful hands of Hans Zwager, his wife, and son Peter.
- As the flower growing industry in Kenya continued to flourish and develop beyond all expectations, Oserian was opening doors and they now stand at the forefront of the industry as a leading force and the largest multi – crop flower farm in Kenya.

### Fantasy Flora Ltd

- We are a young Kenyan company that brokers fresh cut flowers and foliage to the European, Japan and Middle East markets. We offer competitive prices for quality varieties proven in the market.
- Our sales team has extensive experience in the low and high altitude farm varieties in Kenya as well as the Athi River farms. We will strive to match (and exceed) your expectations.

### Desire Flora (K) Ltd

- Desire Flora (K) Ltd, Growers and exporters of fresh cut flowers from Kenya, established in 2008 is a Dream and Desire of late Mr. Devendra Halai, a social activist, nature lover.
- His immense passion for the farming community developed long time back when he started a small business of supplying irrigation fittings to various farmers. His passion to make the most modern irrigation technology available to the farmers also grew up his Desire to have his own flower farm one day.

A fool that was scammed says

October 2, 2018 at 11:32 am

I am so sadden to write this here, however I have no other option..This company eaglelink flowers is a scam and the world needs to know. I paid a lot of money for flowers that was never sent to me. Mr. James Glitche promised to refund me my money through western and am still waiting. It had been a month already, and no news. He just stopped picking up my phone calls and respondibg to my messages. He was so nice when we were previously talking, so please don't be fooled as I was...
