## Nam Tan Uyen industrial park expansion (phase 2)

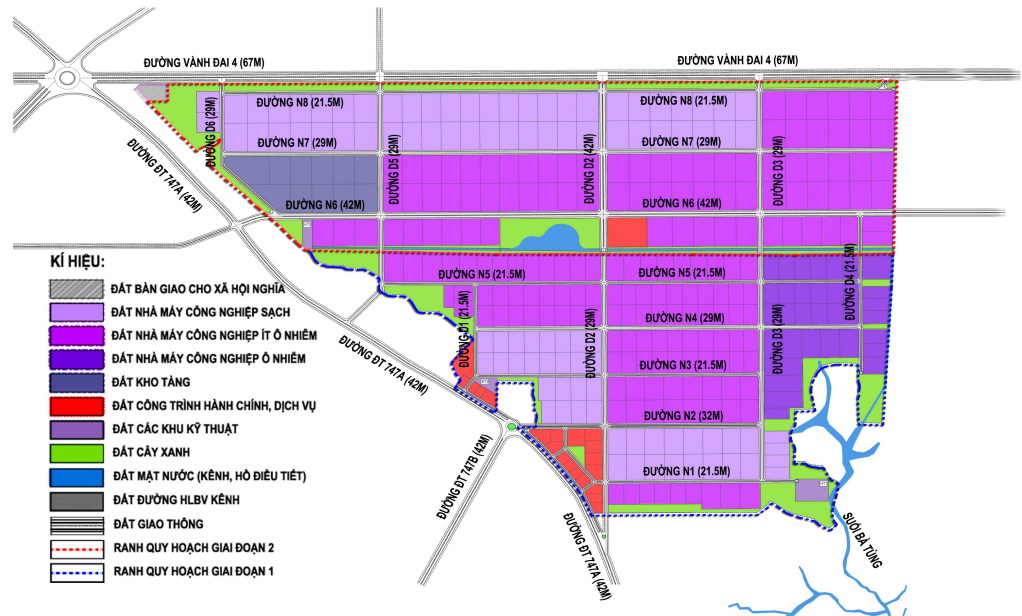

Since Nam Tan Uyen industrial park has been operating our services in 2006, Nam Tan Uyen industrial park (IPs) has been drawn on so many investor not only local but also global who are starting their business inside out IPs. As following to the figures, by the end of the December 2016, Nam Tan Uyen Corporation have been filled more than 98% of the subleasing land and warehouse in both phases Nam Tan Uyen and Nam Tan Uyen expansion. with the convenient accessibility of location along with modern transportation and infrastructure system, the number of investors coming, negotiating and renting the land in IPs have been dramatically increased.

Favorable geographical location of Nam Tan Uyen Industrial Park.

Recently, the People's Committee of Binh Duong Province has approved the detailed planning ratio 1/2000 by the Decision No 2607/QĐ-UBND dated on 03/10/2016 allowing Nam Tan Uyen infrastructures' owner extended the scale of 345 ha of subleasing land connecting to Nam Tan Uyen IPs expansion at Hoi Nghia fork and Uyen Hung ward, Tan Uyen town, Binh Duong Province. This is the potential opportunity for the domestic and foreign investors who would like to arrive in Tan Uyen in order to start and succeed with their business projects.

With the favorable geographical location, Nam Tan Uyen IPs has been the enormous attraction because from there, investors can easily fan out the others administrative center of large urban and recreation areas in southern Vietnam such as Binh Duong new city (8 km), Ho Chi Minh city (36 km), Bien Hoa City (20 km), Tan Son Nhat International airport (36 km), Long Thanh International Airport (55 km), Sai Gon international Seaport (38 km), Twin Dove Golf course (10 km), Song Be Golf course (22 km),...

**The detailed planning of Nam Tan Uyen Industrial Park Expansion and Nam Tan Uyen Industrial Park Expansion phase 2.**

Associating with the enterprises, Nam Tan Uyen Corporation is the trusted partnership for the entrepreneurs to come and comfortably invest. We are always ready to give the customers starting their business inside our IPs expansion (phase 2) the warmest welcome and hoping for the successful coordination and the bright future ahead. In there, the infrastructure will be invest more spacious such as the internal roads have reached 42 m of width, creating the most convenient and advantages for the transportation, the large scale of land for renting will help the investors having a majority of choices for their production process...
