

GUATEMALA

Perenco has operated in Guatemala since 2001. Oil production comes from the Xan Field, located in the north west Petén region of Guatemala. Part of the state participation is distributed to the municipalities of Petén via the Fonpetrol law, thus providing needed funding for the development of rural communities in the north of Guatemala.

OPERATIONS

Perenco has operated in Guatemala since 2001. Oil production comes from the Xan Field, located in the north-west Petén region of Guatemala.
