

## FOCUS ON QUALITY REAL ASSETS

**IMPORTANT LEGAL INFORMATION. PLEASE READ IT CAREFULLY.**

The services of advice on investment and on private structured investments by PERGAM is **addressed exclusively to professional clients in the meaning of article 314-4 and following of the general rules of the AMF. People not responding to the quality « professional clients » are asked to leave this part of the site.**

These services rest on personal recommendation, are provided with the function of creating a profile, of the plans, the aims, of the investment horizon of the investor in the framework of an overall allocation of assets and may carry a degree of significant risk appropriate to any investment. Thus all investment may also go down in value as well as increase and the investor must be capable of supporting the total loss of his/her investment.

Information published on this site does not constitute either an offer of products or of services capable of being equivalent to a public appeal for savings or for whatever activity of canvassing or of solicitation.
